## 2024 IMPACT

“*On Your Feet makes me feel seen and understood. I feel like I have a community of people who won't judge or shame me. I'm able to grow with my grief through support until it morphs into something I can handle and understand.*”

### HOLIDAY ASSISTANCE PROGRAM

Did you know that On Your Feet is the only organization that helps birthparents provide holiday presents for both the children they are parenting *and* those they placed? No generic gifts here: every present is thoughtfully chosen to match the interests of each child.

Last year **21** birthparents participated, and we provided holiday gifts for **46** children, totalling \$1150.

### BIRTHPARENT RETREATS

This year we welcomed 31 birthmoms at either an in-person or virtual therapeutic retreat. Run by birthmoms, for birthmoms, our retreats provide a safe space in which to process difficult emotions and build the friendship and community necessary to heal and thrive. Curious about what goes on at one of our retreats? This year Margot, a retreat facilitator and birthmother, pulled the curtain back to give a glimpse into our Fall retreat weekend, posting updates and photos on our Instagram and Facebook accounts. From our intention flags to practicing Kintsugi, every element of our retreat weekends is thoughtfully planned out and the friendships that are created here are lifelong.

Did you know that On Your Feet has three staff members currently enrolled in MSW programs? Not only are Alexis Eyler, Katy Finn, and Heather Janiga applying their new knowledge to the benefit of our birthparents, but they are also bringing much needed birthparent-centered adoption education back to their peers and instructors.

# Create! Birthparents Art Grant

Tiffany, last year's Create grant winner, developed an innovative art therapy program, and in 2024 we welcomed a cohort of birthmothers to the program she designed and implemented. Participants used art as a catalyst for healing, as they explored each side of the adoption triad through art-making.

## ACTIVISM IN ADOPTION

In 2024, we hosted 11 Activism in Adoption live sessions and 278 hours of recorded sessions were watched online. Our AiA sessions are a safe space for everyone in the adoption community — including extended family and adoption professionals — to explore preconceived notions and stereotypes, sit in vulnerability, and ask hard questions. Thank you to Cradled in Grace and Love Grown Adoption Consulting for sponsoring Activism in Adoption and your commitment to ethical adoption education.

Gretchen Sisson, PhD

In 2024 we launched our AiA affiliate program, giving our community an opportunity to help us extend the reach of our innovative programming and become change-makers in adoption, improving outcomes for everyone in the adoption constellation.

## BIRTHPARENT SUPPORT ALLIANCE

In 2024 we welcomed 6 agencies to the Birthparent Support Alliance: Adoption Center of Illinois, Adoption Center for Family Building, Adoption & Beyond, Angel Adoption, Georgia Adoption Specialists, and Alaska Adoption Services. Thank you for your commitment to ethical, lifelong, individualized birthparent care.

“ I am so grateful for you and On Your Feet Foundation! Also, I am grateful that I am able to donate to your wonderful organization. Knowing that I am able to access resources offered gives me great comfort. (I've needed this organization for 50 years!!!) ”

We were delighted to welcome the authors of *Adoption Unfiltered*, Kelsey Vander Vliet Ranyard, Sarah Easterly, and Lori Holden, along with their panelists, including one of our newest board members, Erika Gonzales, to The Book Stall in February. And in May, we hosted a screening of *Found in Korea* with award-winning filmmaker and international, transracial adoptee, Nam Holtz, LMSW.

# GATHER

With us to celebrate!

Thank you to this year's *Gather* sponsors, whose generosity helps ensure that birthparents will always have access to the help they deserve. And thank you so much to everyone who donated, bought tickets, and came out to support birthparents. We could not have done all that we did this year without the help of people like you, who recognize the critical importance of birthparent support.
